

Professional Speaker

NT-(169 PS +170 PS+170A PS)

Professional Speaker (NT-169 PS+170 PS+ 170A PS)

Nova Professional Speaker Series (NT-169/170/170A PS) delivers high-power sound reinforcement with three models: NT-169 PS (12"+3" HF, 400W), NT-170 PS (15"+3" HF, 550W), and NT-170A PS (24"+3" HF, 1000W). Featuring premium J.F core drivers and bom-loaded HF compression, they deliver crisp 50Hz-19kHz frequency response with massive 136-137dB max SPL output. Built with road-ready plywood cabinets and durable textured black finish, these professional-grade scalable solutions (26-62kg) are perfect for concerts, festivals, touring systems, and large installations requiring powerful, distortion-free full-range audio performance.

TECHNICAL DATA SPECIFICATION

Model	NT-169 PS	NT-170 PS	NT-170A PS
System:	12" ,LF cone driver	15" ,LF cone driver	2x15" ,LF cone driver
	3" HF compression driver (hom-load)	3" HF compression driver (hom-load)	3" HF compression driver (hom-load)
Frequency response:	55Hz-19000Hz	50Hz-19000Hz	40Hz-19000Hz
Coverage angle:	90°Hx 45°V	90°Hx 45°V	90°Hx 45°V
Axial sensitivity:	97dB	99dB	103dB
Calculated Output:	136dB	136dB	137dB
Nominal impedance:	8Ω	8Ω	44Ω
Rated Power:	400W(Rated Power Aes)	550W(Rated Power Aes)	1000W(Rated Power Aes)
	1600W(Pead Power)	2200W(Pead Power)	4000W(Pead Power)
Enclosure material:	Plywood	Plywood	Plywood
Cabinet finish:	Textured Black Polyester Paint	Textured Black Polyester Paint	Textured Black Polyester Paint
Connectors:	+1/-1, +2/-2	+1/-1, +2/-2	+1/-1, +2/-2
Size (mm):	550x350x350	4400x720x410	535x1200x510
Weight (kg):	26	34	62
